

Cyngor Cymuned Gorslas Community Council

Information Technology Policy

1. Introduction

Gorslas Community Council recognises the importance of effective and secure information technology (IT) and email usage in supporting its business, operations, and communications.

This policy outlines the guidelines and responsibilities for the appropriate use of IT resources and email by council members, employees, volunteers, and contractors.

2. Scope

This policy applies to all individuals who use Gorslas Community council's IT resources, including computers, networks, software, devices, data, and email accounts.

3. Acceptable use of IT resources and email

Gorslas Community Council IT resources and email accounts are to be used for official council -related activities and tasks. Limited personal use is permitted, provided it does not interfere with work responsibilities or violate any part of this policy. All users must adhere to ethical standards, respect copyright and intellectual property rights, and avoid accessing inappropriate or offensive content.

4. Device and software usage

Where possible, authorised devices, software, and applications will be provided by Gorslas Community Council for work-related tasks.

Unauthorised installation of software on authorised devices, including personal software, is strictly prohibited due to security concerns.

5. Data management and security

All sensitive and confidential Gorslas Community Council data should be stored and transmitted securely using approved methods. Regular data backups should be performed to prevent data loss, and secure data destruction methods should be used when necessary.

6. Network and internet usage

Gorslas Community Council's network and internet connections should be used responsibly and efficiently for official purposes. Downloading and sharing copyrighted material without proper authorisation is prohibited.

7. Email communication

Email accounts provided by Gorslas Community Council are for official communication only. Emails should be professional and respectful in tone. Confidential or sensitive information must not be sent via email unless it is encrypted.

Be cautious with attachments and links to avoid phishing and malware. Verify the source before opening any attachments or clicking on links.
